

Energy saving works - Solar panels

What works will be carried out?

Solar panels will be fitted to your roof.

What are solar panels?

Solar panels are pieces of special material that are fitted to the roof of your home.

They absorb energy from the sun rays to make electricity.

How long will the works take?

The works will take about a week to complete.

Can I stay at home while the solar panels are being done?

Yes

Energy saving works - Solar panels

Will the contractor need to come into my home?

No, the contractor will not need to come into your home. The works will be done outside your home.

Important!

They may need to use scaffolding, to reach walls higher up. Please be careful and avoid going near the area where the scaffolding is.

Who can I contact if there is a problem?

You can speak to the contact on your letter or call 0300 003 7007, option 2, or email enquiries@glh.org.uk.
