**Nearly 10 in 10 (99.9%)** properties had an electrical check. We do the electrical checks every 5 years. Our target is **10 in 10 (100%)**, so we need to improve in this area.

**10 in 10** properties had their fire alarms and smoke detectors tested. Our target is **10 in 10** so we have met our target.

**Nearly 10 in 10 (99.9%)** properties were issued a gas safety certificate. Our target is **10 in 10 (100%)**, so we need to improve in this area.

**10 in 10** of our properties had an asbestos survey. This means that properties were checked for materials containing asbestos. We wanted **10 in 10** properties to have a survey, so we have met our target so far this year.

**Nearly 10 in 10 (98.8%)** repairs were completed on the first visit. We did better than our target of **over 9 (95%) in 10**, which is great!

# Impact and growth

**A total of 74 people** have moved into new homes between April 2025 and June 2025.

Our target is to provide homes for **250** people by the end of March 2026, so we are on track to meet our target.

For every £100 of rent we could receive we don't collect **£4.83** because some of our homes are empty. We want to bring this to **£4.50**. This means we are below target and we have a plan to improve this.

For every £100 of rent we could collect, we didn't collect **£7.26**. We want to bring this to below **£5.50**. This means we are below target and we have a plan to improve this.

# Future ready

**Nearly 2 in 10 (17.8%)** staff left Golden Lane Housing. This is a little **below** our target of just over **2 in 10 (18%) staff**. This means we are doing better than our target.
