Message from Sacha, Tenant Magazine Editor

Hello everyone, I hope you have enjoyed the Summer - Christmas will be nearly here!

There is lots of important information in this newsletter, including details about a very important change to the Universal Credit application form, safety in your home, reporting damp and mould in your home, and Golden Lane Housing's brand new look!

I hope to see some great pictures of your pumpkins, costumes and decorations for our Autumn photo competition.

Let's get into the spooky spirit!

Sacha

Check out page 8 for tips on keeping safe at home

Sacha's top tip for keeping safe is: "If you have a spy hole or a ring door bell, check them first to see if you know the person at the door. If you have a chain on your door, you can open the door with the chain still on first."

Golden Lane Housing is changing our look!

What is changing?

Our logo and colours will look different. Things like our letters, leaflets, and website will have the new look.

What is staying the same?

- Your home stays the same.
- Your tenancy stays the same.
- Your rent stays the same.
- The staff you know will stay the same.

You don't need to do anything.

Why are we doing this?

We want our look to show who we are today and in the future. We are still Golden Lane Housing, just with a fresh new look.

You will start to see the changes from December 2025.

Questions?

If you are unsure about anything, please ask your Housing Officer.

Or you can phone Golden Lane Housing on 0300 003 7007 and select option 2.

PICTURED ARE GOLDEN LANE HOUSING TENANT WITH GIDEON AMOS MP AND JOHN VERGE, CHIEF EXECUTIVE OF GOLDEN LANE HOUSING

John Verge, Chief Executive at Golden Lane Housing, and Gideon Amos MP for Taunton and Wellington, visited Golden Lane Housing tenants as part of the Starts at Home Day campaign organised by the National Housing Federation.

They enjoyed speaking to tenants and learning more about how important supported housing is for people with a learning disability and autistic people.

Thank you to our tenants for giving them a very warm welcome.

GARDEN MAKEOVERS 2025

In September, Golden Lane Housing staff members shut their laptops and picked up tools instead, and joined our Resolve Solutions in-house repairs team to complete two blooming marvellous garden makeovers!

This year, garden makeovers were completed at Golden Lane Housing homes in Widnes and Cranleigh.

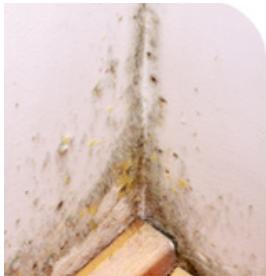

James, Golden Lane Housing tenant in Cranleigh, said:

"The Golden Lane Housing Crew have done an incredible, remarkable job to our lovely home in Cranleigh and my housemates and I can get involved with the garden because it's very beneficial for wheelchair and walking frame access to get down the lovely path and do some planting with the staff."

Damp and mould

Now that the weather is colder, you might notice more condensation in your home. This can sometimes lead to damp and mould.

Damp means when something is slightly wet. Damp can cause mould on windows, walls and furniture.

If you think you have mould and/or damp in your home, it is really important that you tell Golden Lane Housing as soon as you notice it.

**Call us on 0300 003 7007, and press option 1
email propertyservices@glh.org.uk**

When you report mould and/or damp in your home, we will make sure that

- we listen to you and take your reports seriously.
- we come and visit your home to inspect it and then plan what happens next, for example, completing repairs.

If you are able to, please take photos of the damp and mould you have spotted and email them to propertyservices@glh.org.uk.

Read our damp and mould guide on our website or to ask for a printed copy, please email communications@glh.org.uk.

Important change to Universal Credit application form

There has been a change to the application form for Universal Credit.

When tenants apply for Universal Credit for the first time or after a 'migration notice', there is a question which asks "about where you live", tenants must tick the box that says:

"I live in supported or sheltered housing; a hostel or refuge."

This is really important because if this box is not ticked, tenants may no longer receive Housing Benefit, which might lead to you having problems paying your rent.

For more information, you can speak to your Housing Officer.

Use your mobile to scan the QR code to read Mencap's easy read guides about Universal Credit.

Keeping safe at home

We wanted to share some top tips with you on keeping safe in your home, not just over Winter, but throughout the whole year.

Keep your doors locked, and make sure your windows are shut and locked when you aren't inside your home.

If you use candles, make sure you keep them away from anything that they may catch fire to and make sure to blow them out before you leave the room.

If you don't feel safe in your home, it's really important that you let your Support Worker or Housing Officer know so they can support you.

Safety notice: tumble dryers

If you have a built-in Candy heat pump tumble dryer made between April 2019 and November 2024, it may have a safety risk.

It affects models with serial numbers starting with 319 (found on the label inside the dryer door).

You must stop using the dryer immediately.

You can contact Golden Lane Housing for advice and support.

Prevention

act before abuse

Safeguarding Adults Week 2025

17 – 21 November

#SafeguardingAdultsWeek

National Safeguarding Adults Week is led by The Ann Craft Trust. It is held every year to help raise awareness about the importance of safeguarding.

This year's theme is 'prevention'. This is all about working together to stop abuse from happening.

Safeguarding means keeping people safe from abuse and/or neglect. This means that we want to do everything that we can to help make sure you feel safe, happy and secure in your home.

Between April 2024 and March 2025, Golden Lane Housing staff supported tenants with **34 safeguarding concerns**. This means that staff helped tenants with 34 problems to feel safe and keep well.

Remember, IT Matters. If you don't feel safe or think you might be suffering from abuse or neglect, please talk to your Housing Officer or somebody you trust.

You can also call Golden Lane Housing on 0300 003 7007, option 2 to talk to a Golden Lane Housing staff member.
